RE: MOORE, ROBERT
DKT# 95-531-01

Request to allow supervision to terminate with outstanding fine balance

Dear Judge Walls,

The above-captioned individual was sentenced by Your Honor on June 18, 1997, to 168 months imprisonment to be followed by three years supervised release for the offense of Conspiracy to Distribute Narcotics. A fine in the amount of \$7,500 was imposed, as well as special conditions of drug testing/treatment and financial disclosure. Moore was released from prison on March 19, 2008 and has been under supervision since that time.

Moore's supervision is scheduled to terminate on March 18, 2011, and he still has an outstanding fine balance of \$5,869. Moore made fine payments while he was working; however, periods of unemployment during his supervision resulted in nonpayment of the fine. His tax refund for 2010 was seized by the government and applied to the fine.

While on supervision, Moore has been cooperative and compliant with the conditions of supervision. He was arrested by the Jersey City Police Department in August of 2009 for theft, which was subsequently dismissed. Moore has maintained a stable residence and is currently employed. He has been advised that he is responsible for the outstanding fine balance and must continue making payments until the obligation is satisfied.

We request that Moore's supervision be allowed to terminate as scheduled on March 18, 2011. Please review the attached Probation Form 12A and if the Court concurs with our recommendation, sign and return the document to the attention of the undersigned. If Your Honor requests an alternative course of action, please advise. Should Your Honor have any questions, please feel free to contact the undersigned at 973-223-0768.

Respectfully,

Wilfredo Torres, Chief
U.S. Probation Officer
